April 18 & 19, 2020

We may not be physically together, but let's get our scavenge on anyway! You'll receive a list mid-morning with items, combinations and actions. You'll have most of the day to find, pose, photograph and create as many of these things as possible. There will be some bonus Instagram items to look out for and a massive Kahoot! Quiz to complete for even more points!

***REMEMBER – practice social distancing of 6ft between persons, unlike the picture above*
