

Matthew 25 Summer Virtual Book Club

Following our 2023 theme “Reimagining Welcoming All Bodies in Worship”, you are invited to join a 10 week Zoom series discussing *Wait – Is this Racist?* by Kelly Connelly.

We say our churches welcome everyone, *but what message does your program and building really send?* This book will examine different elements of worship – building, programming, and music – and identify barriers for differing ethnicities, abilities, LGBTQAI+ and social classes. Sessions include interactive discussion. This is recommended for any that want to nurture congregational vitality.

Wednesdays starting June 7, 6:30-8 PM. Programming is planned so that you may attend any session as a stand-alone, or come to the entire 10-week series to examine the whole book. For more information, write Bobbie Ramer, CLP at mountvilleman@gmail.com .
